
Michael O'Callaghan

MBA M.Sc. B.Sc.

Certifications from APICS: CPIM, CSCP, CLTD, CTSC, CIRM

APICS Master Instructor

APICS Master Instructor Training

TFC / TCC / TBC / TTC Instructor

SAP Applications Consultant

Michael is a Supply Chain Training Consultant and Instructor, and also works as a contract SAP Applications Consultant and SAP Trainer. Michael is a Director of IPICS The Supply Chain Management Institute and is a member of the Logistics and Supply Chain Skills Group chaired by the Irish Department of Transport.

Michael is an APICS Master Instructor on the APICS Instructor Development Program, and instructs on the APICS Supply Chain Certifications for CPIM, CSCP, CLTD and CTSC, and is also an APICS Master Instructor in Instructor Training. Michael provides supply chain instruction on online public courses, online company courses, and online blended learning for APICS CPIM, CSCP, CLTD, and CTSC Certifications; ASCM Supply Chain Certifications; and Foundations of Supply Chain Management courses for IPICS The Supply Chain Management Institute. Michael is a Subject Matter Expert (SME) for the APICS CPIM.

Michael is a certified trainer for The Fresh Connection (TFC) business simulation system, The Cool Connection (TCC) financial supply chain learning experience, The Blue Connection (TBC) transforming a linear value chain into a circular one, and The Triple Connection (TTC) supply chain sustainability. Michael uses the TFC, TCC, TBC and TTC as enhanced learning tools in the provision of supply chain training and certification courses.
