

Certified in Planning and Inventory Management (CPIM) Online Self-Study

The **Certified in Planning and Inventory Management (CPIM) Online Self-Study** is designed for candidates unable to attend weekly classes due to geographic or schedule constraints. CPIM Online Self-Study is supported by email and Zoom sessions by Instructors registered with the APICS instructor development programme.

The Certified in Planning and Inventory Management (CPIM) from APICS consists of nine modules, and is the leading Certification Course in Supply Chain and Operations Management for those wishing to gain an Internationally recognised qualification.

Earning the APICS CPIM demonstrates mastery of an organization's internal operations and an in-depth understanding of materials management, master scheduling, forecasting, production planning and how it applies across the extended supply chain.

The APICS CPIM course is structured in nine modules examined in one 3.5 hour exam:

- Module 1: Supply Chains and Strategy
- Module 2: Sales and Operations Planning
- Module 3: Demand
- Module 4: Internal Supply
- Module 5: External Supply and Key Support Functions
- Module 6: Inventory
- Module 7: Detailed Schedules
- Module 8: Distribution
- Module 9: Quality, Business Investments, and Continuous Improvement
